

Help us to make your donation go further

I want Action Cancer to reclaim the tax on my donation(s) and confirm that I have paid at least 25p UK income tax or capital gains tax for each £1.00 I have donated. Action Cancer will receive 25p for each £1.00 donated under Gift Aid.

This means for instance that every £10.00 raised becomes £12.50 – at no extra cost to you! Just think what a difference that can make.

By completing this form you are confirming that:

- You wish Action Cancer to claim tax on all donations you make in the future or have made in the past 4 years.
 - You are a UK taxpayer and understand that if you pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all your donations in that tax year it is your responsibility to pay any difference.
 - You wish Action Cancer to act as your agent in selling the goods you have brought into the shop, at a rate of 1% commission + VAT.
 - You are not acting as a business in bringing goods in for sale to any of the shops belonging to Action Cancer.
- Any goods which cannot be sold will be recycled and cannot be returned to the donor. We reserve the right to terminate this agreement at any time.

Before we make any Gift Aid claim Action Cancer will write to you to inform you of the money raised from the sale of your donations once sufficient items have been sold. You can then choose to retain or donate those proceeds to Action Cancer.

Action Cancer is a Northern Ireland charity, working to save lives and support people affected by cancer.

We have a range of services including breast screening for women, MOT health checks, healthy lifestyle education, counselling and complementary therapy. We also have a mobile unit, the BIG BUS, which travels to 200 locations each year.

Each year Action Cancer must raise £3.8 million so your support is much appreciated.
